What we have

A reference listing of over 27 000 burials at Lutwyche Cemetery is available for researchers. The museum collection contains stonemason's tools, local bottles and bricks from famous houses and local brickyards.

Adjoining the Chambers are the Windsor War Memorial and Windsor Town Quarry Parks. Housed in the historic old Windsor Council Chambers, the Society maintains displays of articles and equipment used in the locality, for example stonemason tools, a cash register and baskets from the local laundry etc.

It also houses a small library of local books and a photographic collection and display.
