About Us

The Windsor and Districts Historical Society Inc. was formed in the bicentennial year 1988 to research and record the history of the old shire/town of Windsor.

The area takes in the suburbs of Wilston, Windsor, Grange, Wooloowin, Lutwyche as well as parts of Albion, Alderley and Newmarket. We also include Gordon Park and Herston.

What we do

- We hold quarterly meetings with interesting Guest Speakers
- We produce quarterly newsletters featuring interesting stories and photos
- We provide a Website that is developing into an information resource
- We sponsor an annual ANZAC Day ceremony
- We publish various books on the history of the old Windsor Town.
- We have a photographic display and archive on display every Sunday and Monday between 1pm and 4pm
- Other Social Events

What we have

A reference listing of over 27 000 burials at Lutwyche Cemetery is available for researchers.

The museum collection contains stonemason's tools, local bottles and bricks from famous houses and local brickyards.

Adjoining the Chambers are the Windsor War Memorial and Windsor Town Quarry Parks.

Housed in the historic old Windsor Council Chambers, the Society maintains displays of articles and equipment used in the locality, for example stonemason tools, a cash register and baskets from the local laundry etc.

It also houses a small library of local books and a photographic collection and display.
